EMPLOYEE OF THE 1ST QUARTER

At Sprenger Health Care Systems it is our mission to empower people to anticipate and exceed customer expectations through five principles; innovation, compassion, creativity, integrity and collaboration. Our employee of the quarter upholds these values and is committed to enhancing the lives of staff and residents, alike.

WHY DID SHE CHOOSE THIS CAREER?

I love my job as a cook and have been working in a kitchen since I was 16 years old. I wanted to work in the health care field while using my kitchen experience.

FAVORITE PART ABOUT WORKING AT SPRENGER:

The teamwork and the support the facility provides.

HOBBIES AND INTERESTS:

I enjoy spending time with my boys and family. I also enjoy cooking at home and trying new recipes.

FUTURE GOALS:

To become a better leader and to attend school for dietary management.

THE WAY COWORKERS AND RESIDENTS PERCEIVE HER:

“Cassie always has a smile on her face.”

“She is a pleasure to work with!”

“Cassie cares about the quality of the food she serves!”
